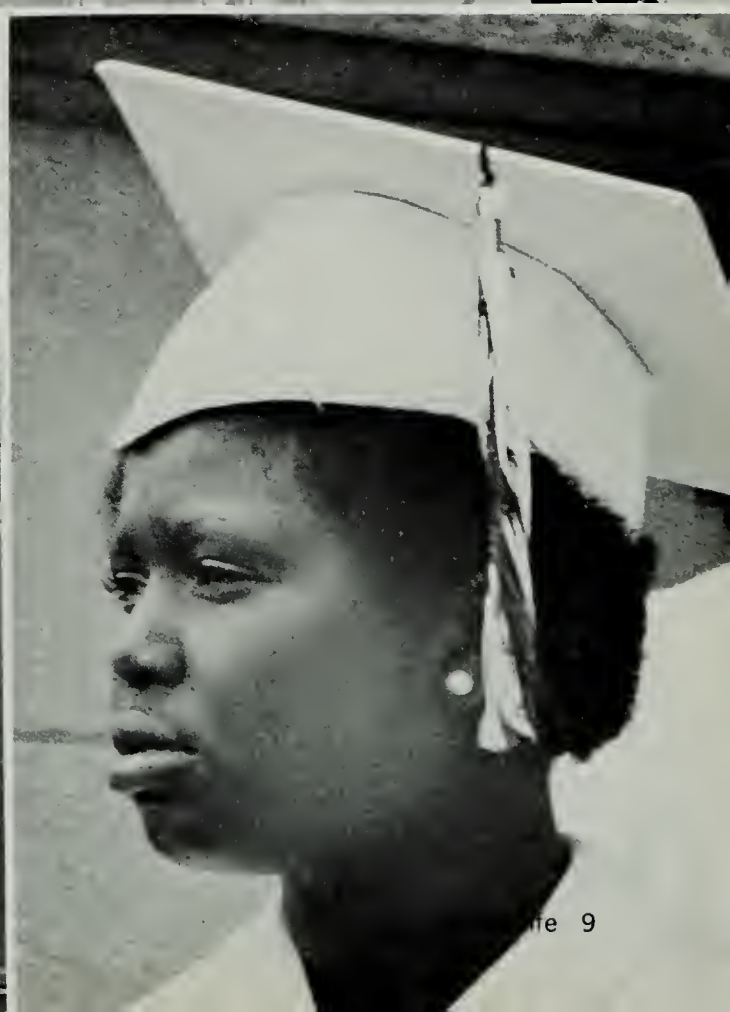
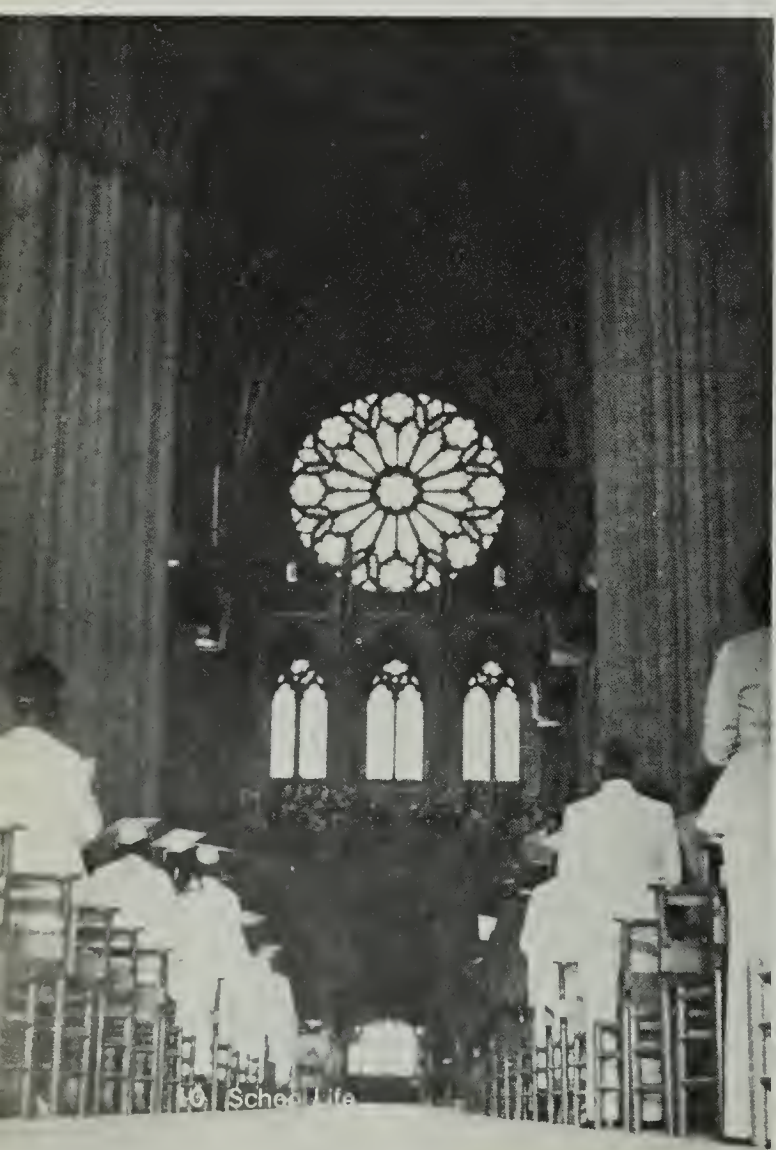
SCHOOL LIFE

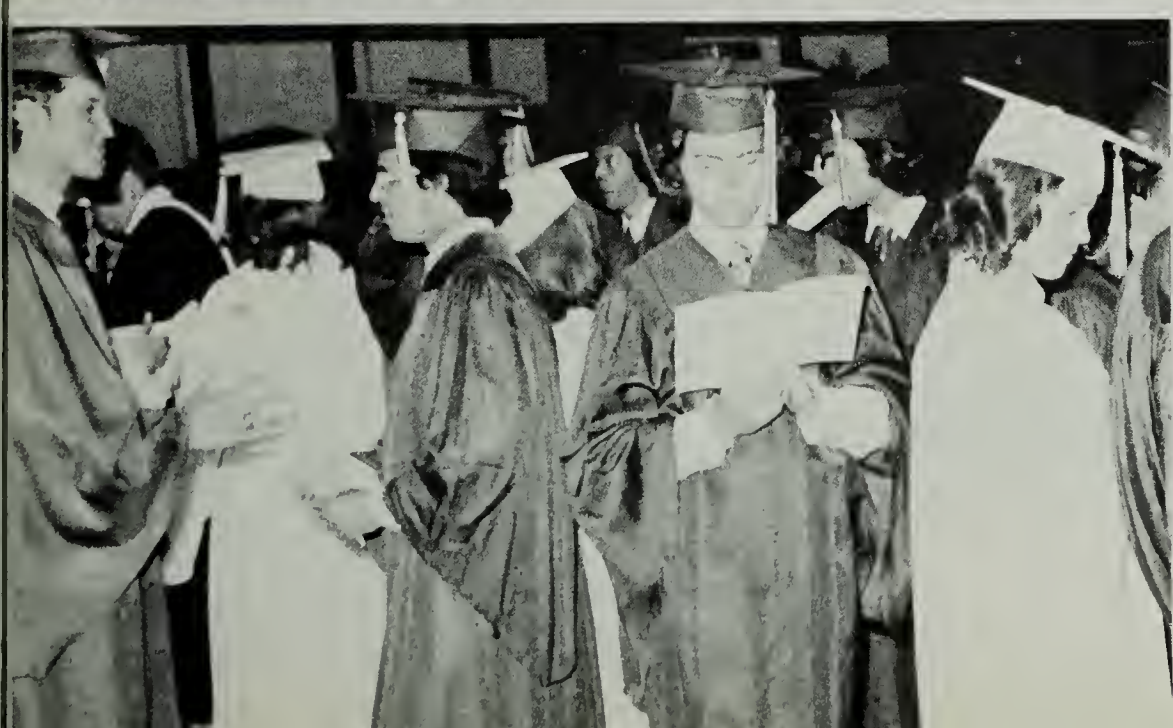
LINCOLN MEMORIAL



Memories Of The Past, Hopes For The Future

On June 9, the seniors arrived at Washington National Cathedral for the traditional Baccalaureate Service with their family and friends. Their days as high school students were drawing to an end. Three days later, graduation was held in Mount Vernon's field house. Mr. Lyons had been elected by the Senior Class to deliver the farewell address. Memories of the past four years went through the senior's minds. The future holds different things for each of these seniors, but they will always share their memories of Mount Vernon with each other.





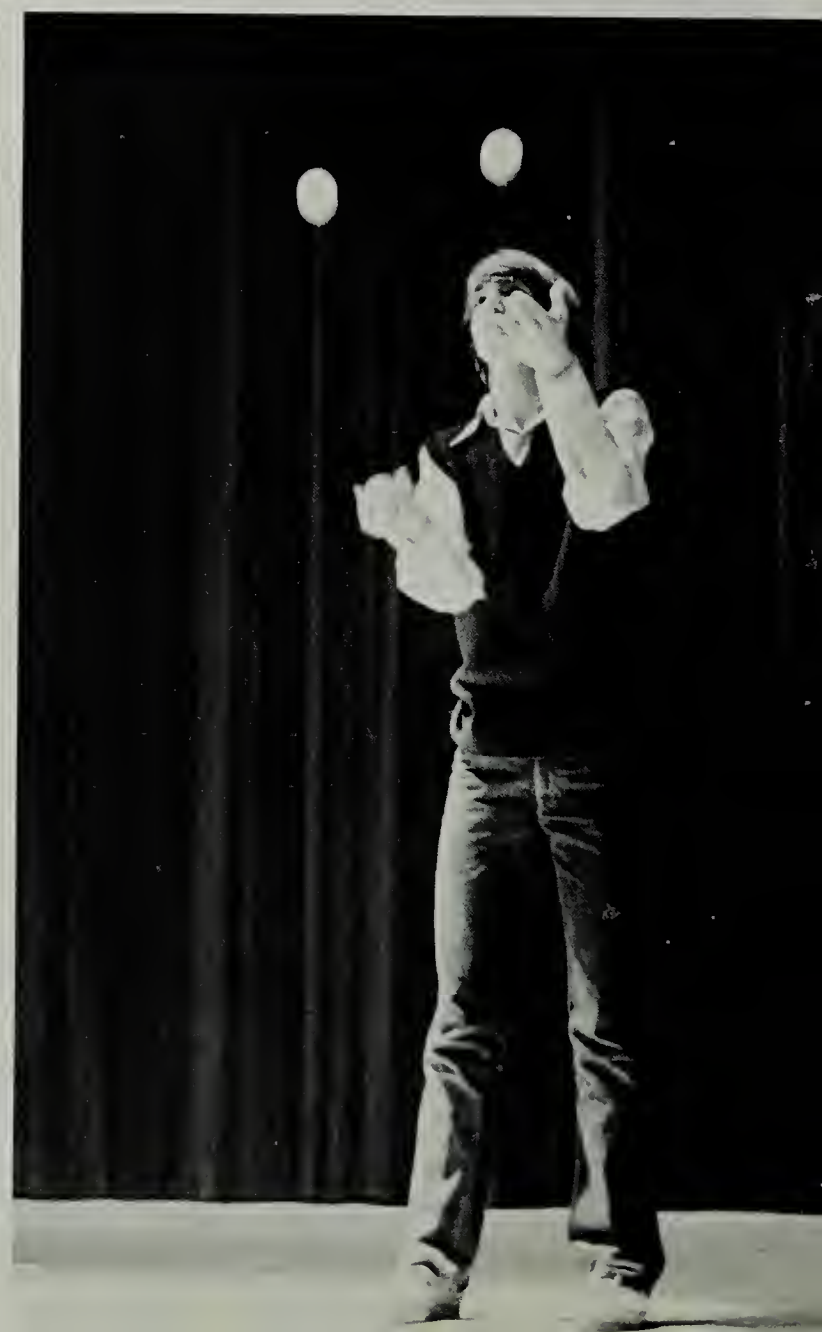
Mount Vernon's Many Talents

A spectrum of acts made up the Variety Show last spring. There were a number of singing acts, but even they varied in their style. Other acts included a pantomime, skits, and a juggler.

First place was awarded to a skit presented by Kathy Robinson and Lexie Miller. The juggler, Richard Wood, won second place and Steve Robinson and Robert Winn took third place.

"Hey Steve, get a load of that chick in the front row." "Don't call us, we'll call you."

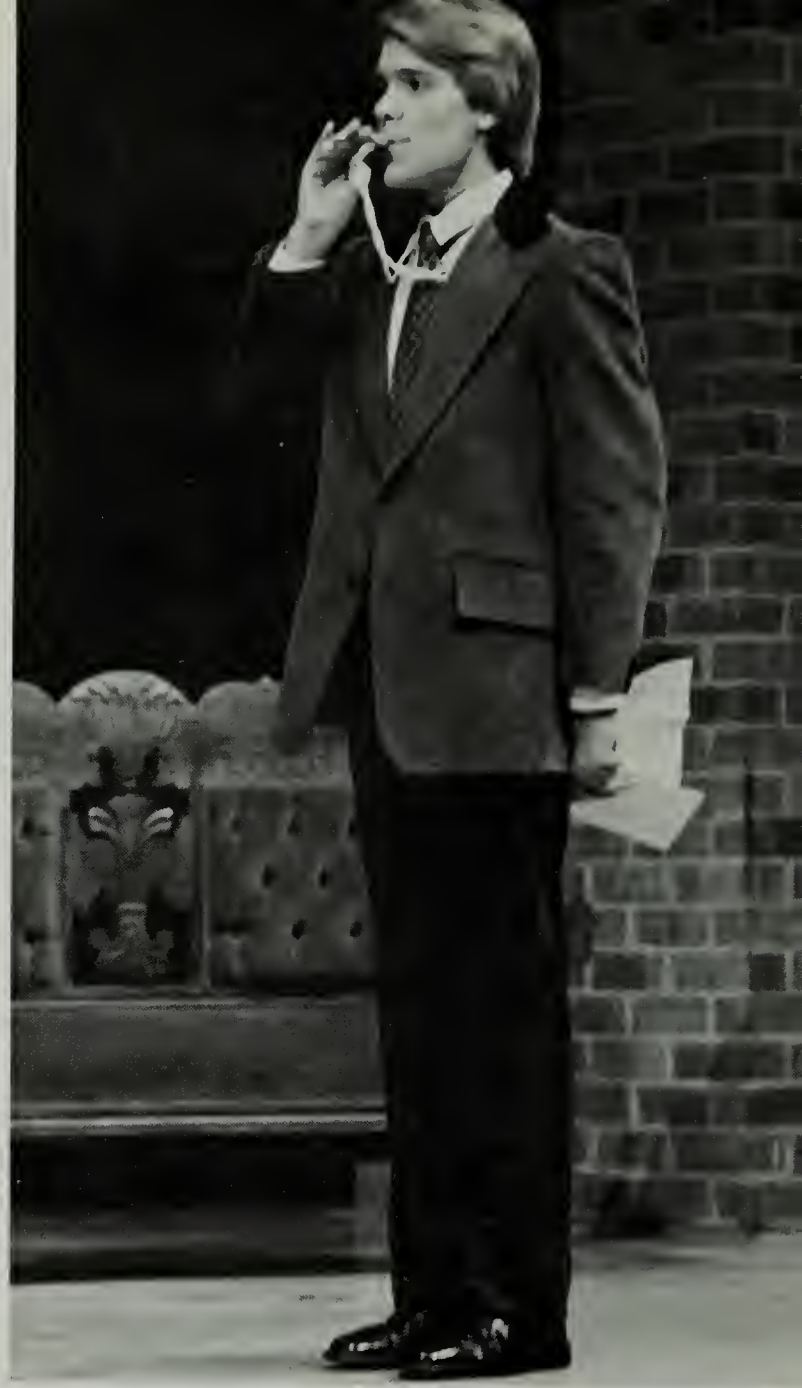
"Maybe this time, I'll be lucky . . ."



Fashion Keeps Moving On

"Moving On" was the theme of the spring fashion show put on by the Fashion Merchandising class at Mount Vernon. The fashions were provided by an area store and the models were Mount Vernon students and teachers. The money raised went to help pay for the class' trip to New York. It gave the student body a chance to see the latest fashions for spring and summer.

"Tennis anyone?", questions Paige Bartholf. I'd walk a mile for a lady.



"The Sound Of Music"

A highlight of the spring activities was the "Sound of Music". This popular Rodgers and Hammerstein musical is the story of a novice who leaves the convent to marry Captain Von Trapp. Then Maria, her new husband, and their musical family flee Austria for America during World War II. The leading roles of Maria and Captain Von Trapp were performed excellently by Suzanne Klein and Barry Signorelli.

The production was a collaboration of the talents of the drama and choral departments. Together they produced an evening of entertainment that will be remembered for some time to come.

"Why Maria, you've got L'eggs!", exclaims the Reverend Mother. Captain Von Trapp calls his children to attention. "So, a needle pulling thread . . ."

That's using your head!

Junior-Senior Struggle Ends In Tie 0-0

The rivalry between juniors and seniors was kept alive in the annual Powderpuff Football Game. Each team practiced in the days preceding the game in order to make an effort to prove their superiority over the other class. Both teams fought their best, but the end result was a disappointing 0-0 tie.

Charge!!! Hey Chris, who do you see in your magic mirror?

Homecoming '75

The Bicentennial was the theme of this year's Homecoming. Each of the classes worked to produce a skit for the pep rally and a float for half-time. At the pep rally the judges announced that the Juniors had won the cafeteria decoration contest. The skits were acted out, and it was unanimously agreed that the Freshman Class's was the most original. That night at half-time the princesses were presented to the crowd and Lisa McGrath was crowned 1975 Homecoming Queen. The floats were then paraded around the track. The Sophomore class had the honor of having the winning float. The following night, the dance concluded the week's activities. With the many activities planned for Homecoming week there was something for everyone in which to become involved. Through the combined efforts of many people, Homecoming was a successful event.

The Senior class presents the Spirit of '76 . . . Mr. Hyer crowns Homecoming Queen, Lisa McGrath, as her father looks on.

Princesses And Floats Add To Homecoming Magic

Junior Princesses: Silvi Kiisk, Mr. Allen Kiisk, Shannon Coleman, Mr. Charles Linden (missing for picture). Freshman Princesses: Scott Swanson, Linda Solis, Reeves Allen, Col. Frances Allen.

The Freshman show creativity displayed in their float.

The Juniors offer their rendition of the Boston Tea Party. Sophomore Princesses: Michael Murphy, Theresa Murphy, Britt Nelson, Chris Nelson. The Sophomore Class creates a winning float.

Homecoming Festivities

Do jeans and jerseys a football team make? Peter Noble has fun getting back at Coach Grove a la whipped cream. These couples seem to be enjoying the Homecoming Dance.

A Night Of One Acts At Mount Vernon

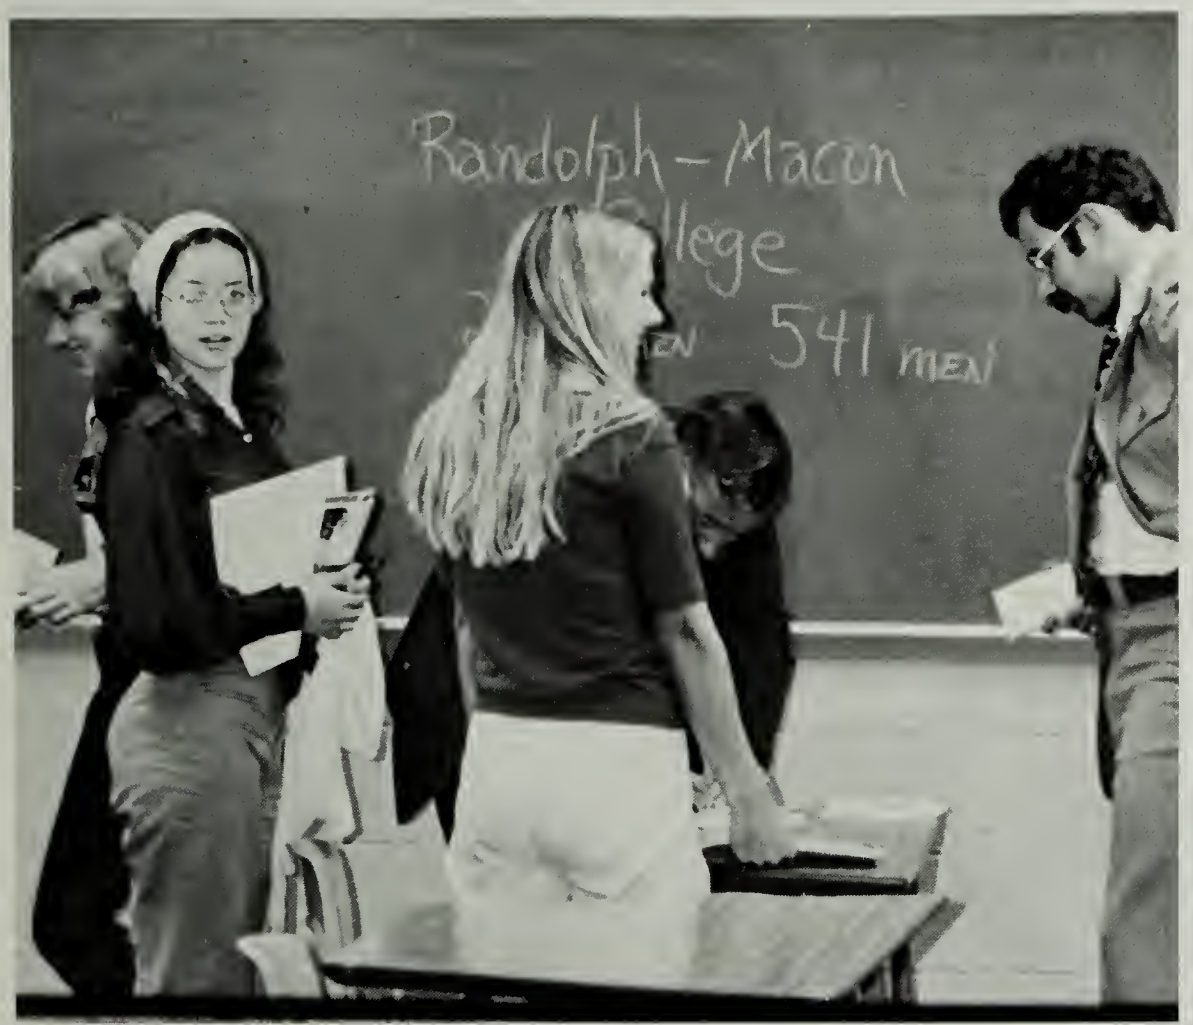
Lexi Miller, Kathy Robinson, and Sandra Dingle play old biddies gossiping in "Everybody's Secret". In "A Company of Wayward Saints", Marian Daniel and Boni Schoessel are mimes. Isabella, played by Kris Thomas, tells of her love Tristano.

Fall Happenings '75

The choral department presented the fall concert this year on November 4, 1975 in the Little Theater. The groups that performed were beginning and select girls, mixed chorus, concert choir, madrigals, and girls and boys barbershop. This is the first time in two years that the girl's barbershop has performed. The group was very well received and they had every reason to be.

The annual magazine campaign sponsored by the SGA was very successful this year. Students sold magazine subscriptions and record albums to their neighbors and friends. Incentive was provided by prizes and a movie during school. The campaign ended with an assembly modeled after "Let's Make a Deal".

Dean Gates checks the number of a lucky winner at the "Let's Make a Deal" assembly. The concert choir sings out at the fall concert.



College Night

College night was very successful. It was held on October 16, 1975. There were over 125 colleges represented which approximately 2,500 students from area high schools visited. The colleges ranged from California to right here in Virginia. If you missed it this year, be sure and come next year. It's very beneficial.

Boys to Girls—3:1. That sure isn't bad! Prospective college students wait for another session to begin at college night. Terri Lovelace takes time out from her guide duties to get some information on colleges.

What Does M.V. Have To Offer?

The Book Nook, Snack Bar and Book Store earn money for the organizations running them while giving service to other students.

The Book Nook is run by the Senior Honor Society. Open before school and during lunch, the Book Nook sells used paperbacks at reduced prices.

In its second year of existence, the Snack Bar has become a part of school life. It is open after school for students who want to stop for a snack before going to activities. The Snack Bar is run by any organization that wants to earn money.

The chief goal of the Book Store is to give students an opportunity to practice sales techniques. During lunch students can buy needed school supplies. The Book Store is a part of the Vocational Department.

The Christmas Spirit

This year at Christmas time there were two concerts—the band and choral concerts. The band concert was held on 11 December, and was joined by the chorus. The chorus held its concerts on December 17 and 18 and was joined by the band. The choral concert opened with the traditional candlelight ceremony. Both concerts were a complete sellout and were well received by both students and parents.

Our Freshman year was quite an experience. It was a year of dashing down the halls, trying desperately to make it to class on time, and learning the ropes of highschool. In spite of odds, we showed our spirit at games and other events, and by becoming involved in other activities.

A year later we are organized Sophomore class. We have proven our spirit and unity by creating a winning homecoming float and by helping to build an outstanding J.V. football team. We have been a good Sophomore class and with this progress we should be one of the greatest Senior classes to leave Mount Vernon.

After all . . . '78 is **Great**!!

Like a tree we are as one large body,
Yet like each tiny leaf, we are all different;
We started our high school years
As little sapling first set;
In the spring we were fresh green buds
And fragile blossoms;
The summer of our years found us spreading our
Roots and branches rapidly, full and wide,
Cool and green, we grew;
With the fall and the crisp turning of the leaves,
Our maturing tree slowly changed
And developed into the many different
Colors only fall could wear;
Our winter has yet to come: the leaves
Will fall gently and drift away,
Slowly breaking their ties from the tree.

Quarterback Tom Childers sets the line and calls the signals against Fairfax.

A Frustrating Year For The Majors

The Mount Vernon Majors displayed a heroic effort this season, but alas luck was not with them. The team ended up with a final record of 0-9-1. The Majors played some of the better teams in Northern Virginia and did reasonably well. Despite final scores, the Majors displayed some good individual effort such as: Randy Rager's rushing, Allen Hobbs's outstanding defense, and excellent defensive performances from Jeff Perry and Chris Clubb. Ross Morres, a junior, also show promising hope for the future as quarterback for next year. Both Jeff Perry and Allen Hobbs were named to the All Gunston District defensive team.

Kicking off for the Majors is Gary Etherington.

The Majors Look To The Future

This year's team was relatively inexperienced. Although there were 22 seniors on the team, only 10 of them had previous varsity experience. So all together, on a squad of 45 players, only 12 were returning from last year's varsity. There were also 19 juniors, three sophomores and one freshman. With the combination of returning veteran players and this year's promising Freshmen and J.V. players, Mount Vernon's future looks bright.

Ross Morres doesn't look too thrilled with having the ball. **AT RIGHT:** The Majors' defense pursues the opponent as John Daoulas demonstrates.

The rising maroon tide of our younger players is likely to help Mount Vernon over its present low ebb in football fortunes. Junior Varsity and Freshman teams both won Gunston District championships and Frosh total record was even second best in Northern Virginia. Our J.V., which was an all-sophomore team this year, lost only one game and tied one.

J.V. running back Matt Mathes hauls in Bill Baird's pass for a long gain. The gameplan seems to be working and J.V. coach Mike Foglio gives some additional pointers.

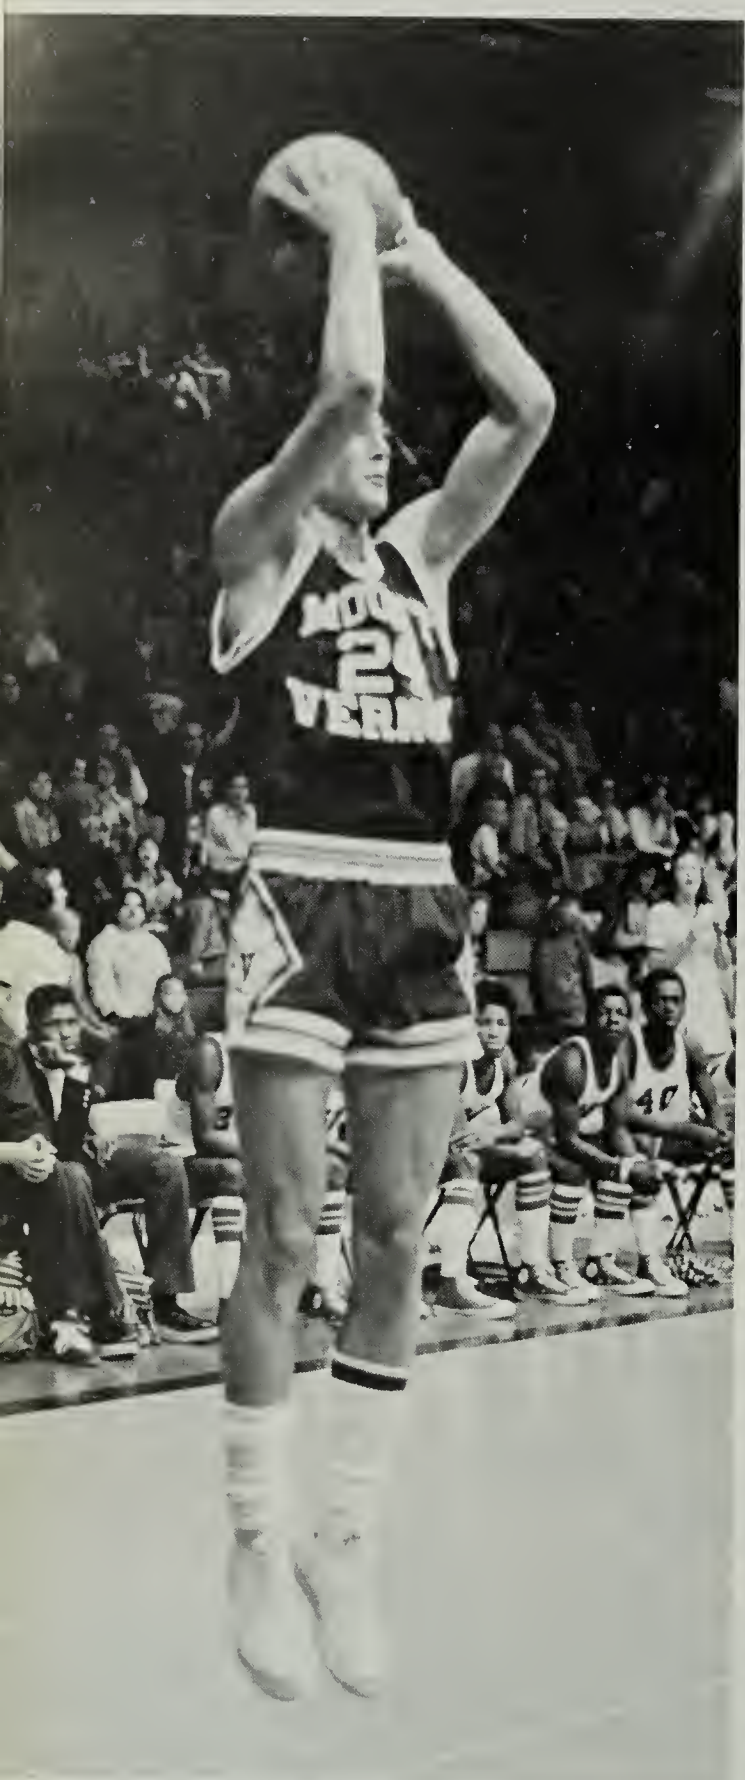
Basketball's Best Season



The Mount Vernon Varsity Basketball team, under the direction of coach Gordon Hill, completed their best season ever with a record of 19 wins and 2 losses. The only defeats for the Majors came from Groveton and T.C. Williams in games that were "down to the wire" and nail-biting thrillers.

The Majors were led by High School All-Americans Atlee Hammacker and Allen Hobbs. The deadly shooting of Barney Reiley and the super defense of Billy Pope was complementary. As with any winning team, all members are important.

Beginning last season, coach Hill has been working toward this year's success. The team was fortunate enough to have six veteran players returning from last year's squad.

Bible Club

The Bible Club's interests are simple and sincere. They are to read the book of the Lord and to hopefully learn from it. There are many secrets and mysteries unknown to us all, and the Bible allows everyone to seek his or her own interpretation of the many fascinating things that have happened since time began. The Bible Club uses the Bible as a reference to the creations of the "Heart and Soul."

Chess Club

Chess is a skillful and a strenuous game, but the chess members take on the challenge. They study the strategy of the game and plan their route of attack for their matches. It is Skill vs. Skill and each move takes time. Every move has to be planned ahead with accuracy because one mistake could prove fatal and thus end the game with "Checkmate".

The sports events this year provided a taste of almost everything for the student body; depressing defeats, glorious victories, and even a few unexpected upsets. The high spirited cheerleaders were always there leading the crowd in their support for the Majors. The ability of the cheerleaders brought them second place in Springfield's Cheerleading Invitational last fall. In such events as the "Mr. Cool" contest, the early morning media center pep rallies, and the Mother-Son kissing contest, these spirited leaders kept the students and faculty guessing as to what they would do next.

50 Years Of Caring

People need people. It's as simple and basic as life itself. We in Key Club know this. We know that if we help improve one segment of our social environment, the whole will ultimately become better. That's why you will find us taking part in Freshman Orientation; helping in bike-a-thons, blood drives and other people oriented things. You will also find us having a good time while participating in these events. Caring is our way of life—in fact, it's the only way to live!

Although these activities took a lot of effort, the Keyettes enjoyed doing them.

Communications Improve

The SGA, headed by John Doyle, closed some of the gap on the common problems by modernizing two "old ideas." The SGA newsletter, "Speak-Out", gave the students an up-to-date story on SGA progress, student information, and comments from one of the SGA officers. The other modernized idea was the Student Information Center (SIC). Even though it was open during both lunch shifts everyday, few students seemed to bother to go in to see what was happening in their own school. All information that concerned the student body could be obtained in the SIC. It will be updated next year again and hopefully the student body will show more interest. Overall, the SGA worked mostly on communication and student activities this year. All students make up the Student Government; therefore, the key word should be—COMMUNICATE.

SIC

A new door was opened this year by the SGA, under 2nd Vice-President PJ O'Neill, to help close the communication gap between students, clubs, administrators, teachers, and SGA Officers. Located on the right side of the cafeteria in the Faculty dining room, the Student Information Center held information on all school activities namely, club functions, dances, and athletic events. If a student wanted to find out "what was going on", then the SIC was the place to go. Monthly calendars, memos and information on clubs were all hanging on the walls for students to see. At least one SGA officer or SGA representative was present each lunch shift to help answer any questions that a student might have. Even class officers made an effort to "show themselves" in the SIC at least once a week. It seems the SIC has made a giant leap toward eliminating some of the communication problems. Stop by sometime and see "what's happenin"!

"Let it snow, let it snow, let it snow," is the song Ski Clubbers sing all year. The season started with a Thanksgiving trip to Vermont, and it ended with a week-end stay at Seven Springs, Pennsylvania. All in all, the Ski Club hit the snow-covered slopes with a mighty gusto! They came back to Mount Vernon with big grins, tall tales, and best of all with no broken bones.

Staff Goes First Class In Publication Of Yearbook

As years go by and new experiences arise, we feel like a part of the past because we create a yearbook from events which have happened in our high school years. This year the Surveyor staff had many inexperienced members, but with the help of our sponsor, Mr. Thomason, and our editors, Barbara Wood and Sara Ruple, the staff became a working unit. Team Work was the key word in our efforts of presenting this 1976 yearbook.

Independence

UNCOMMON
VALOR
WAS A COMMON
VIRTUE

The Memories of the school year 1975-1976 have swiftly passed. Wonderful are these memories which are cast between these bindings, memories which will be relived with every turn of these pages.

The Surveyor staff has worked to produce not only a yearbook, but a book to acknowledge the wonderful country in which we live. The monuments which adorn our Capital are symbols to our great forefathers that their ideals and dreams are still in existence.

In the production of the yearbook, the "Bicentennial Spirit" has been an incentive to show our love of country and to remind us of the freedom, liberty, independence and happiness that we in this country enjoy. For 200 years, America has been the symbol for freedom to the world. A country where everyone can pursue his own dream.

Our country, ours to protect, to respect and to cherish.

For 200 years and more . . . The UNITED STATES OF AMERICA,

God Bless It.

Barbara Wood '76

Days go by,
Friends move,
Letters get lost, but
Yearbooks are full of
Memories.
